

All these topics will be delivered during period 6 on a Thursday.

All L6 scholars are to attend.

These sessions will usually take place in the Theatre.

In period 5 the chosen enrichment subjects choices will take place.

BEARWOOD COLLEGE

ENRICHMENT PROGRAMME

For 6th Form Scholars
2009– 10

THE ENRICHMENT PROGRAMME

All Sixth Form Scholars attend the enrichment programme for 5 terms. This will take place during periods 5 & 6 on a Thursday.

Period 5

There will be the choice of enrichment subject as found in the table below. A scholar will choose two subjects to be done over the two years. These courses are designed to offer real, certificatable achievement to scholars for their own self interest and to include on their UCAS form. The courses will be busier in the first two terms and peter out in the summer term as external exams are timetabled in.

In some cases the enrichment subject will need to take scholars from period 6 as well.

| | | |
|---|-----------|---|
| CCF Diploma | PO | A BTEC qualification that is the equivalent of GCSE – if you are an NCO this is easy. |
| Young Enterprise | WLG | Organise, sell, profit |
| CSLA | JCD SQ | Community Sports Leader : Be qualified to supervise youngsters at things like Barracudas – good for the holiday / GAP yr job. |
| Further Maths | SWN | Another module in AS Mathematics |
| Music Lessons | CE | For those working towards AB exams |
| RYA Day Skipper | Mr Cherry | Learn how to skipper an inshore yacht – good for DofE |
| Economics | WNW | AS exam in Economics |
| Vehicle Engineering | KJL | Learn about the basics of car maintenance |
| NPLQ | AJF | National Pool Lifeguarding Qualification – be a lifeguard in any pool in the country. |
| History of Art | GDP | An appreciation of art in the modern era |
| There is an opportunity for your own activity if cleared by RPR | | |

Period 6

Autumn Term: L6 Choral Society ; U6 UCAS

Spring & Summer Terms: a series of general interest lectures for the Lower Sixth as detailed overleaf

Choices made on 4th Sept. Period 5
